26th September 1980

Dear Mr Munster,

It gives me pleasure to let you have enclosed an official invitation to our 1980 Graduation Day, and I hope that it will be possible for Mrs Munster to accompany you, as have the wives of many of our Patrons in the past.

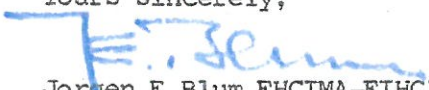

Thank you for your recent note regarding the prizes. Your suggestions are indeed generous and I have no doubt that the lucky recipients will be delighted. The names of the recipients will be kept confidential until the morning of the conferring.

Please let me know in due course whether or not Mrs Munster will be accompanying you, and also your expected time of arrival in Shannon.

Looking forward to hearing from you.

Very best wishes.

Yours sincerely,

Jorgen E Blum FHCIMA-FIHCI
